Further, in case the date of entry to the present cadre is on the same date the seniority is determined based on the date of entry into the previous / next previous cadres. However, if the date of entry to the previous cadres is also the same then the seniority is determined based on the date of birth.

The Seniority List is also uploaded on the official website (<http://www.uasd.edu>) of the UAS, Dharwad and is accessible under button "Recruitment".

The concerned Teachers are requested to verify their positions and intimate to this Office as to whether there are corrections, if any, to be made in the seniority list **within one month from the date of this circular**. Their requests in respect of corrections in dates are to be supported by copies of documents attested by the Heads of the Institution under whom they are working. If no such information is received within the stipulated time, it will be presumed that the seniority list is in order.
